FOR SPECIAL POSTAL DELIVERY

THE « POST-M ©2018 » TUBE

300 - 1200 MM IN LENGTH
40 - 100 MM IN DIAMETER
FOR POSTAL DISPATCH

- **Stability**
This product permits the achievement of the required stability, whilst providing a surface which can carry a postal label.
- **The « POST-M ©2018 » system**
This system permits the elimination of additional postal costs. A space is provided for the application of a "Colipost" label (100 x 150 mm)

APPLICATIONS

- posters
- documents
- postal dispatch

- **The « POST-M ©2018 » can be customized by four-color printing.**
The system is self-locking, without the application of adhesive or the removal of a silicone tape, thus ensuring perfect integrity with the tube which contains your products.
- **Time-saving**
As an option, one end of the tube can be closed beforehand and secured during manufacture. Only one end then remains to be closed, which is conducive to the speed and efficiency of filling.
